Job title: School Sport & Physical Activity Development Specialist

Organisation: Physical Activity and Sports Specialists Ltd

Salary: Dependent on experience

Location: Maidstone, Malling, Sevenoaks and surrounding areas

Full and part time positions available - Closing date for application 30 /09/2021

Interview date – Week beginning 4/10/ 2021

Description

Are you looking for something a little different, developing school sport and physical activity in variety of schools and year groups, working on development projects with a satisfying job role?

Physical Activity and Sports Specialists (PASS) are looking for an enthusiastic and passionate new team member with a good knowledge of school sport and physical activity development to work across a variety of schools. You will need to be competent, capable and highly motivated to deliver a range of sports and activities across key stages. This position will suit a flexible person who show good initiative and time management. It requires a strong communicator with capacity to build good relationships with school staff. The role will include both practical delivery and some administration.

Essential requirements

- Experience and understanding of PE, school sport and physical activity.
- Knowledge and understanding of planning of high-quality PE and sporting activities
- Ability to develop and grow projects
- Knowledge and understanding of the School Games Programme
- Ability to mentor and establish good relationships with adults and children
- Good verbal and written communication skills
- Self-motivated, resilient and enthusiastic

- Ability to drive, with access to own vehicle

Preferred requirements (not essential)

- QTS
- A degree or foundation degree in sport related subject
- UKCC Level 2 coach (or equivalent)
- A good understanding of IT
- A good insight into current sport and education landscape
- Experience in sport development
- A good understanding and experience of well being

Information about PASS

Physical Activity & Sports Specialists (PASS) were established in 2013. We are a team of passionate, enthusiastic PE teachers, primary teachers and sports coaches who deliver a range of services and support to primary schools to improve Physical Education, physical activity and sport. We teach and deliver activities to 30+ primary schools across Kent which grows year on year. We take pride in our supportive, professional attitude to working with the children and staff within our schools. PASS staff are integral to the children and staff's progress and over time we have built strong relationships with our schools for which many are entering their sixth successful year.

The benefits of working in a range of schools across a range of year groups, supporting a range of staff across a range of different sporting activities is variety!

We can offer you:

- A unique teaching experience
- High quality mentoring from experienced practitioners and excellent support for your CPD.
- Friendly, supportive colleagues
- Lesson plans, schemes of work and resources already created by the team.
- Involvement in a growing business with potential for further growth in other areas of Kent.
