

Organisation: Woodlands Manor Golf & Country Club

Sport: Golf

Location: West Kingsdown, Sevenoaks

Title: 'Ladies' Get into Golf

The offer: Ladies Golf Starter Pack for £49

Details:

Woodlands Manor have introduced a starter pack aimed at getting ladies into golf. New starters are offered 12 group coaching sessions with the Club Professional, free use of golf clubs and access to the clubs facilities. The club has had the support of existing members in the form of a buddy scheme. Other experienced female golfers being around allies the fears into what many outside of golf would perceive to be an intimidating environment. Social opportunities along with a relaxed dress code have contributed to a successful scheme which will be repeated again this year.

Quotes:

“Very much enjoying being part of such a friendly club” – Claire

“Great idea, so pleased I joined and I’m really enjoying it” - Joanna

Top tips:

- Get support of current members
- Greet people in the car park
- Load sessions early on thus reducing waiting time for the next meeting which could lead to drop off

How to get involved:

The next intake of 'Ladies' Get into Golf will start on 29 March 2016. For more information or to book your place on this course visit the [Woodlands Manor Golf Club website](#).

If you are interested in attracting more Women and Girls into the game of Golf, then there are some great resources on the [England Golf website](#).
