

KENT FANS

SPORTS PHYSIOTHERAPIST LIST

All of the details contained on this page have been provided by physios themselves, who are happy to be contacted by sportspeople who require their services. Many of them offer discounts to members of the Kent FANS Scheme for National level performers.

The list is not exhaustive but has been compiled based on known sports physiotherapists in Kent. Therefore, the Kent Sport & Physical Activity Service would be pleased to receive details from other sports physiotherapists in the County, who would wish to be included.

The Service cannot be held responsible for the level of fees charged or the quality of service provided by any individual or organisation listed and is not in a position to endorse any particular therapist. Advice on physiotherapy and on different forms of sports injury treatment, such as osteopathy, sports therapy or acupuncture, is often available through your GP. The information contained on this page is covered by the Data Protection Act and should be used only for the purpose of finding and using the service of a sports massage practitioner.
