

## **Active Partnership Board – Diversity Action Plan January 2020-January 2021**

The Active Partnership Board is the overall governing board for Kent Sport. It is an independent board which oversees, provides scrutiny, guides the work and makes decisions, to ensure good governance of Kent Sport.

Through **“Towards an Active County”** the Strategic Framework for Sport & Physical Activity in Kent and Medway, the Board’s vision is to get **More People, More Active, More Often** and one of the key underpinning principles within the Framework states that:

*“Efforts should be made to maximise sport and physical activity **opportunities for all** people and groups as defined with protected characteristics within the Equality Act 2010 (gender, gender identity, race, disability, sexuality, age, religion, pregnancy and maternity or marriage and civil partnerships) and for carers, regardless of their level of ability”.*

The Board also demonstrates its commitment to equality and diversity through its Equality Statement, within the Board’s Governance Framework:

<https://www.kentsport.org/about-us/partnership-board/>

This Diversity Action Plan supports the Board’s commitment to progressing towards achieving gender parity and greater diversity generally on its Board, including, but not limited to, Black, Asian, minority ethnic (BAME) diversity and disability.

In addition, Kent Sport underwent a reaccreditation process and successfully achieved the Foundation and Preliminary levels of the **Equality Standard - A Framework for Sport** in May 2013. In October 2016, Kent Sport underwent an assessment and was confirmed as the first Active Partnership in the Country to achieve the Intermediate level of the Equality Standard. This work is supported by the Board.

Kent Sport has an Equality Action Plan which is reviewed annually. This Diversity Action Plan, which will be reviewed annually, specifically relates to the Board and complements Kent Sport’s Equality Action Plan.

## A Message from the Board Chairman

The Partnership Board encourages partnership working between agencies so that we can deliver high quality activities which are accessible to everyone across the county. To achieve this, we are committed to equality and diversity in all we do and strive towards our membership reflecting the community we serve. Significant progress has been made in recent years, but more needs to be done to ensure that our progress in this important area of work is maintained and continues to evolve. This Diversity Action Plan is designed to help us move towards this position.

Whilst the recruitment of people with varied backgrounds and experience is important, we also need to ensure that those on the Board continue to develop their understanding of equality and diversity and reflect this in our discussions and decision making. To support this, the Board has a nominated Equalities Champion who works alongside the lead officer on equalities in Kent Sport.

This plan focuses on the areas of training and development; awareness and commitment to equality and diversity; and, our recruitment practices. It is reviewed and updated annually by the Nomination Committee for consideration and adoption by the Board.

**Dick Fedorcio, OBE – Chairman, Active Partnership Board**
